In order to obtain maximum Hybrid-Vigor in your crossbreeding program, Brahman bulls are a necessity. They produce those F1 females that are in demand all across the country as mother cows. Also, with steer prices higher than they have ever been, the Brahman-sired steer calves are bringing Top Dollar at sale barns everywhere. Whether you are interested in raising replacement females or top feeder calves, the "Extra Dividends" you will receive from using a McKellar bred bull will put more Dollars in your pocket, more often, than your present bull.

TH' BIG INFLATION BATTLE LINES FORM ...

MOVING? Please use form inside paper and give full information. Meaning list is run on Friday for following week.

Now that we have before us th' long delayed Carter Plan Phase II to stomp out inflation if you ain't thoroughly confused you have got to be in an elite group of people all of whom you could load into a Volkswagen, without crowding. One of th' conclusions that rises immediately is that it is gonna be very difficult to pin th' tail on any of th' donkeys you or me blame for th' problem.

For instance, President Carter asks business to hold down prices and asks labor to settle for less in wages. Neither Business or Labor is likely to buy th' Proposition and will undoubtedly be able to make a good case provin' they are not guilty. Th' idea that excessive Govt spendin' is really at th' bottom of th' problem seems to be agreed all around, but th' idea that Congress, th' Bureaucrats, or th' Administration is goin' to make any seri-

Federal Subsidies Of Farm Union Taxpayer Rip-off

Belaguered U. S. taxpayers are being taken for a ride on a federal gravy train set in motion to provide massive sums of money to Cesar Chavez' United Farm Workers (UFW), according to the president of the nation's largest farm organization.

American Farm Bureau president Allan Great cited a new \$600,000 grant awarded UFW by the federally-funded Community Services Administration (CSA) to help finance the union's microwave relay system, which is designed to

Texas Will Get \$388 Million In Highway Funding

Washington — Senator Lloyd Bentsen said Tuesday that Texas will receive some \$388 million in federal highway funds during fiscal 1979, third highest among the 50 states. Bentsen, chairman of the Senate Transportation Subcommittee, authorized the Senate version of highway legislation under which the money is being apportioned. He was advised of the amount Texas is to receive by the Department of Transportation.

Amendments Finally Reach White House, But Carter Has Until Nov. 7 to Act, Action Needed by Individual Congressmen

Cattlemen all across the country were urged this week to call, write or wire their congressmen, senators and President Jimmy Carter urging the President to sign the Beef Import Bill amendments, which have finally been delivered to the White House. Cattlemen stressed the importance of the amendments, which provide a counter-cyclical method of allotting import permits to the beef exporting countries to the United States.

Industry complaints have been numerous that opponents of the amendments have been misrepresenting the legislation by calling it not in the interests of the consumers and inflationary. Proponents of the amendments point out that it will result in leveling out the supply of imported beef and will also prevent wide fluctuations in the price consumers will pay over the years, since it will enable imports to increase when domestic supplies are tight.

Fed Cattle Trade Firm, Higher; Hogs Lower Monday at Markets

Receipts of slaughter cattle and hogs were both substantially higher Monday than on the same day last week. Fed steers and heifers were finding improved markets at most points despite about 9,000 larger supplies. Hogs were lower at most points, and several markets reported they clearing prices were off more than sales earlier in the day. Slaughter cows and bulls were in light supply and generally unchanged. Some of last week's depressed beef and fat cattle prices were credited to the fact that most of the meat features in retail stores last week were pork or poultry. Price trends, quotations on choice and prime fed steers and heifers and on the mixed good and choice grades and on U.S. 1-3 hogs selling 200 to 280 pounds in most cases, included:

51.00-52.50. Hogs steady to 50c lower with 200-280 weights 49.50-51.00. Peoria fed cattle firm to 50c higher. Steers 52.50-55.25 and 52.00-53.50; heifers 50.50-52.25 and 49.00-51.00. Hogs 50c off at 48.00-51.75.
St. Paul fed cattle 50c to 1.00 higher. Steers 52.00-53.00; and 51.00-52.00; heifers 50.50-51.50; and 49.50-50.50. Hogs 50c to 1.00 off at 48.50-51.00. Sioux Falls fed cattle steady with last Wednesday, but 1.00-1.50 above last Thursday. Steers 52.25-53.50 and 51.25-52.50; heifers 51.00-52.00 and 49.00-50.00. Hogs 50-75c lower at 49.00-51.00.
St. Louis steers were 50c to 1.00 under last Tuesday, heifers were 50c to 1.00 lower. Steers 52.50-54.50 and 51.50-53.00; heifers 50.50-52.50 and 49.50-51.50. Hogs steady at 49.50-51.50. St. Joseph fed cattle were steady with last Monday. Steers 53.00-54.50 and 52.75-53.25; heifers 51.50-52.50 and choice mixed steers and heifers 52.50-54.00. Hogs week to 25c, spots 50c lower at 49.00-51.00. Kansas City fed cattle steady with last Monday. Choice steers 52.00, good 49.50-50.00; choice heifers 51.50 and mixed good and choice 47.50-48.00. Hogs 50-75c lower at 48.50-50.75.

Cowman's Choice Sale Offers Quality Santa Gertrudis

Bellon K. Johnson, owner of Chaparral Ranches with headquarters near La Pryor, Texas, has announced the date November 13 of his fourth annual "Cowman's Choice Sale", one of the larger production sales in the Southwest and offering purebred Santa Gertrudis bulls and females, crossbred heifers, and using registered quarter horses.

"Although not original," said Johnson, "the concept of offering large numbers of quality cattle that will meet the standards of both commercial and registered breeders has certainly worked well for Chaparral and our customers, and we intend to continue this important part of our merchandising program. We are hopeful that the trend toward prices more in line with costs of production will continue and anticipate several profitable

One of the 100 big, rugged Santa Gertrudis bulls selling in the fourth annual Chaparral "Cowman's Choice" Sale to be held November 13 at the ranch near La Pryor. Also selling are 100 purebred Santa Gertrudis females with calf at side or bred, 100 bred commercial heifers and six registered horses.

years for that segment of our industry that has suffered the most, the cow/calf producer."

"On Nov. 13th, we will sell 100 certified S Santa Gertrudis bulls that are coming two's and three's. The older end of these bulls were used in our own herd this spring. We are also offering 100 purebred Santa Gertrudis heifers and 100 crossbred heifers. All of the females are guaranteed bred or have a calf at side. For those of you interested in using horses, we will again sell a few select registered fillies and geldings that have been ridden."

The Chaparral/Mirasol Santa Gertrudis cattle, featuring Sonor Pico and Masterpiece bloodlines, have been very successful in the show ring and in the sale ring for a number of years. Their value to both purebred and commercial cowmen is evident by the number of head that are purchased each year by repeat customers.

The sale activities begin Sunday afternoon, the 12th, when the cattle and horses are ready for inspection. That evening the Ranch is host to a cocktail buffet at the Uvalde Country Club. On sale day, the Chaparral cowboys demonstrate the "formando" with the ranch remuda. Lunch is served at 11:30 and the sale begins at 12:30.

For additional information, write Chaparral Ranch, Box 1390, La Pryor, Texas 78872 or call 512/365-4422.

Gulf Coast Hereford Bulls Average \$1,180

In its 28th Annual Fall Sale held in Columbus, Texas, on Oct. 17, the Gulf Coast Hereford Association sold 64 head of registered Hereford bulls for \$68,715.00, for an average of \$1,180, which is the highest average in the history of the Association. This broke the record of \$1,117 set in February of this year.

The champion single bull, which was also the top selling bull of the sale, was consigned by the Millcreek Farms of Industry. He was calved May 31, 1976, and sold for \$2,176 to Cliff Eivoritt of Eagle Lake.

The reserve champion bull was calved April 2, 1976, and was consigned by the JDQ Hereford Farm of Burton. Eivoritt was also the buyer of this bull for \$1,826.

The champion pen of bulls consisted of two bulls calved in October 1976. They were also consigned by the JDQ Hereford Farm, and sold for \$1,626 each to Frank Ramsey of El Campo. This was the high selling pen.

The reserve pen was made up of three senior bull yearlings consigned by E. T. Herrin of Houston. Leo Korenek & Sons of Garwood took two of the bulls, one for \$1,600 and another for \$1,100. Rolfe Hereford Farm of Washington was the purchaser of the third bull at \$1,000.

Among some of the high selling bulls were two consigned by R. T. Herrin, one going for \$1,826 to Bar S Herefords of Houston and the other to Frank Ramsey of El Campo for \$1,700. Ramsey also paid R. S. Matson of Schulenburg \$1,800 for one of the two polled bulls in the sale. W. J. Torrell of Navasota bought a bull from the Rocking M Ranch of Giddings for \$1,600. Eivoritt paid Millcreek Farms \$2,076 for one, and he also bought one from Roy H. Herrmann of Caldwell for \$1,676.

The volume buyers were: Frank L. Ramsey of El Campo with six head for

\$9,850. Cliff Eivoritt with four head for \$7,660. Flying W Ranch of Katy with five head for \$6,575; and Leo Korenek & Sons of Garwood with five head for \$4,425.

There were 26 buyers, most coming from a distance of not more than 50 miles of Columbus.

Walter and Dick Britten of Bryan were the auctioneers, and Dr. Larry L. Boleman, also of Bryan, was the pre-sale judge.

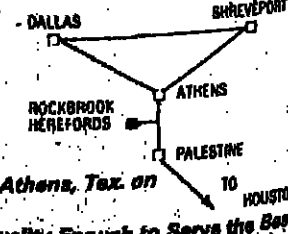

THA Party Hosts Congratulated

(CONT. FROM PAGE 4)
There were seven states represented among the exhibitors.
Dr. T. D. "Dusty" Rich of Oklahoma State University, Stillwater, made the placings and selected the two-year-old entry of V Bar Ranch, Stanton, Tex., and Weldon Edwards Ranch, Clyde, Tex., as the grand champion bull. The winner was Miles Domino RS 688. Claiming the reserve grand champion award was the junior yearling entry of B. B. & H. Ranch Co., Ismay, Mont., on MJB Advance 708.

In the female competition the grand champion award was won by Rocking Chair Ranch, Ft. McFavett, on RCH Perfectionist 150. V Bar Ranch returned to the winner's circle to claim the reserve champion female award on V Bar Rockette H741.

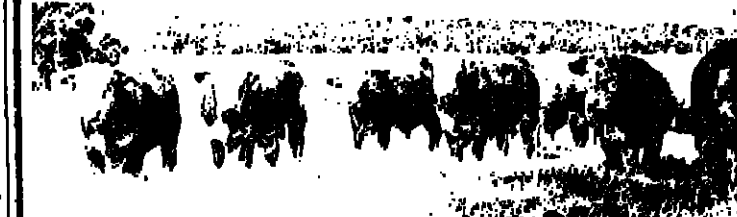

Helm and Landers, Rock Springs, Mont., and Wileall, Mont., claimed the first place award in the two bulls class. Helm Herefords won with their pair of yearlings and Van Winkle Ranch, Buffalo, Tex., won the first place award

with their best six-head. V Bar Ranch claimed the blue ribbon for a pair of calves and get-of-sire.
Other class winners follow:

The Ideal Range Bull

**Voted No. 1 by commercial cattlemen
for the 3rd year in a row!**

He is lot No. 171. A consignment to the 1978 Western Stockmen's All Breed Bull Sale at Famoso, California. He was voted by cowmen as "The Ideal Range Bull", from 272 entries representing 13 breeds. He was bought by a rancher.

Herefords fit the "Ideal" pattern, and have for over 100 years. The reasons are plain. Hereford bulls are FERTILE.

THEY ARE DEPENDABLE. THEY PERFORM. These are the traits of highest economic importance to the cow/calf operator.

AVAILABILITY. Ranchers buy more Hereford bulls at auction each year than the next two breeds combined. Some 100,000 registered Hereford bulls like him will be purchased by cattlemen this year! There is a reason!

Cooke Bull Tests Gaining Interest

Galveston, Texas — Interest in both gain testing bulls and purchase of them after test has increased sharply in recent months, reports T. J. Davidson, head of the agriculture department at Cooke County College and director of its Beef Cattle Evaluation Center.

Currently there are four different sets of Hereford bulls totaling 66 head: one set of 65 head of Angus, and 33 bulls in an all-breed group on test at the facility, with another all-breed test group to begin Nov. 1.

Hereford test groups consist of 32 bulls calving in September and October, 1977, which is scheduled for completion Oct. 29; 10 head born in November and December, 1977 for completion of test Dec. 31; a group of January and February, 1978 bulls, that will complete the test March 4; and a group of March 1978 calves that went on test Oct. 14 and will complete the test next March.

The college's second Southwest Hereford Symposium will be held March 30 and 31, 1978, after all the Hereford bull tests have been completed. Davidson said consignors of the

Lake Creek Herefords Gross \$263,480 In Herd Dispersion

Wichita Falls — Tom B. Medders & Son, owners of Lake Creek Ranch near here, grossed \$263,480 on 288 head for an average of \$916 when their Hereford herd was dispersed Oct. 5 and 6.

Hereford bulls are considering holding a sale in conjunction with the symposium, but a definite decision has not been made at this time.

The Angus bulls being tested for members of Mid-Texas Angus Assn., are January, February and March 1978 calves that officially begin the 140-day test on Oct. 9 with a 21-day warm-up period. They will complete the test March 20, 1978, and a sale of the top performing bulls from that test will be held in Fort Worth later in the month.

There is some pen space available for more bulls at the test facility, and anyone wishing to have their bulls tested should contact T. J. Davidson, Cooke County College, P. O. Box 816, Galveston, Texas 76240, office phone 817/668-7781, extension 53; or home 817/668-9984.

Smith Herefords Average \$761

Springer, Okla. — The Keith Smith Family's "20 Year Family Album Hereford Sale" here Oct. 9 grossed \$117,250 on 154 lots for an average of \$761. Guy Skull, secretary of Oklahoma Hereford Assn., managed the sale for which George Moras of Lenexa, Kan., and Bruce Brooks of Springer were auctioneers.

The 64 bulls grossed \$41,165 to average \$763 and 100 female lots \$76,065 to average \$761. Topping the sale was S Sam Donald 701, a January 1977 bull purchased for \$2,000 by Dan Wolfertson of Ardmore. Three other bulls sold for \$1200 each, one each to Carl Parish of Cashfork, Glen Turner of Ringling and Mike Brown of Duncan, all in Oklahoma.

The females were topped by a cow with bull calf purchased by Jud Little of Springer for \$1,650. Fred Ferrell Farms of Elgin purchased the next high female lot, a cow with bull calf for \$1,450 to \$2,500.

Arizona National Show Judges are Named

Nelson K. Stevenson, manager of the Arizona National Livestock Show reports that the judges for the 1978 cattle and sheep divisions are confirmed. The Angus judge for 1978; Ed Winters, manager of the Red Canyon Ranch in Littleton, Colo. From Santa Fe, N.M., to judge the Brangus class is E. Bonnett of the BB Catt Company, an affiliate over the Charolais and Fries Hereford classes.

The Hereford R. O. M. show will be judged by Rob Sales from the V Bar Ranch in Stanton, Texas. Jack Detersport of Uteco, Livestock Specialist from the University of Arizona, Al Lano, Extension Specialist at the University of Arizona and Dr. Marla Selke, a professor of Animal Science, also from the University of Arizona, will make up the Stomach Judge of Judges.

The feeder steer judge will be George Strathearn from Mariposa, Cal., and Mr. Bill Cowan from Arizona. N. M. Coming from Oklahoma State University to judge the market steers and the junior heifers will be Dr. Rick, an Extension Beef Specialist. Dr. Bill Jacobs, from the Animal Science Department at California Polytechnic University, will be judge of market lambs and ewes.

James Davidson of Salem, Oregon, is making all the decisions for the sheep classes.

Congressman Bob Krueger, prominent Brangus breeder, visits in the pens prior to the annual Krueger Brangus Ranch sale last year. The sale this year will be held on Nov. 11 at the ranch.

"Best of Texas" Brangus Sale Set For November 11

Krueger Brangus, located in the rolling hills of East Texas, near Crockett, Texas, has scheduled its second annual "Best of Texas Brangus Sale" for November 11. The sale will feature 8 Show Prospects and 54 heifers sired by such Brangus bulls as Titan, General, Beacon, Van B's Chief, Elefante, Concho, and Hopi.

All heifers in the sale are guaranteed safe in calf to Rocky Joe 650, General, Titan, WSR Cloud 942, or Beacon. They carry rebreeding privileges to Rocky Joe 650, Titan, or Beacon. The heifers have been viewed by numerous Brangus breeders from all over Texas and most agree that this collection of heifers is the best ever to be offered at public auction.

On sale as a Show Prospect is the full

sister to the calf who won the Futurity Championship in Kerrville this year. In addition, seven other heifers from the 1978 calf crop have been chosen as excellent prospects for show.

Krueger Brangus Ranch is owned by the Krueger family of New Braunfels, Texas. The Ranch was purchased in 1974 and has been developed and managed for the Krueger family by James W. Land of Crockett since that time. The first production sale was held last November and exceeded all expectations with its success. The heifers offered this year are even finer than those in last year's sale.

Congressman Bob Krueger, a principal owner of the ranch, has invited all cattlemen to the sale.

To make sure that our November 11 Sale has the finest Brangus cattle ever offered at public auction, we have continued our sale policy begun last year. First, all cattle offered November 11 will bear the Krueger Brangus brand. This demonstrates our seriousness in making this sale truly a production

sale. "Second, we are offering the entire top cut of our 1977 calf crop. All of the best animals will be offered for sale; none will be held back, including a full sister to the 1978 Futurity Champion."

The Krueger Brangus Ranch has assembled a first rate breeding herd of 250 registered females since its establishment in 1974. It also owns breeding rights to almost all of the well-known Brangus bulls. This unique bull battery includes the 1977 International Champion WSR Cloud 942, the 1976 International Champion Titan, the 1974 and 1975 International Champion Rocky Joe 650, and the 1971 International Champion Beacon.

There will be a tour of the ranch on sale day morning at 10:00 a.m. Festivities begin with breakfast at 8:30 a.m. For additional information, contact Krueger Brangus, P. O. Box 1075, Crockett, Texas 75835. Krueger Brangus Ranch is located 10 miles west of Grapevine on FM 227.

Arkansas Brangus Breeders Sale

Conway, Arkansas — The 8th Annual Arkansas Brangus Breeders Sale will be held November 4, 1978. Sale time is 1:00 p.m. at the Conway Sports Center on Hwy. 64 at Conway, Arkansas. Lunch will be available at the sale.

Selling will be 77 lots of select Brangus cattle from the herds of 30 members of the Arkansas Brangus Breeders Association, including members in Missouri, Kentucky and Tennessee. The offering is made up of 5 herd sire prospects, 12 cow and calf pairs, 30 bred females and 30 open females.

Sale headquarters will be the Ramada Inn at Conway, 501/329-8893, with a pre-sale party set for 7:30 p.m., Nov. 3.

Auctioneer will be Gayle Ingram. For information contact Syler Sales Management, Rt. 2, Box 35, Burton, Texas 77335, 713/259-4400.

THE 'BEST OF TEXAS' OFFERS THE MOST EXTRAORDINARY SET OF BRED HEIFERS IN BRANGUS HISTORY, NOV. 11

The "Best of Texas" Sale

Brangus breeders from all over Texas who have viewed the Krueger Brangus sale heifers agree that this collection of young heifers is the best ever offered at public auction.

Krueger Brangus makes this kind of sale possible by breeding top animals and by selling its

top cut. Nothing will be held back! On sale will be a full sister to the 1978 Futurity Champion as well as a Rocky Joe 650 daughter that will be hard to beat in any show, anywhere.

Best of the Breed

Krueger Brangus has put together a breeding herd of over 250 Brangus cows selected for their conformation, fertility, and breeding traits. No one else has breeding rights to all of the following herd sires: Titan, Rocky Joe 650, General, WSR Cloud 942, Elefante, Beacon, and Hopi.

Truly A Production Sale

The results will be seen on November 11 when Krueger Brangus offers the following daughters for sale: 11 Titan, 9 Beacon, 8 General, 8 Elefante, 7 Concho, 3 Van B's Chief, 2 Big Sir, and 2 Hopi—all bred to Titan, WSR Cloud 942, Rocky Joe 650, General, or Beacon.

In addition, there will be five outstanding show prospects. This is truly a production sale. Every animal in the sale is branded Krueger Brangus.

Don't Miss This Event!

Mark down the date of this history making sale—Saturday, November 11, 1978. Join us Friday night for plenty of good food, drink, and dancing to the Cactus Rose Band. There will be a pancake and sausage breakfast on Saturday morning, more good music, and a barbecue lunch before the sale which will begin promptly at 1:00 p.m.

BRANGUS SIRED BLACK BALDIES

The Feeder's Choice

Brangus sired Black Baldies are in strong demand by feeders and bring top dollar for you!

Black Baldies are an ideal feeder animal. Ask any commercial cowman about the great calves with "a little ear". Medium-sized at birth, they make calving easy for any type of cow. They gain quickly on feed or forage, and average 75 to 100 pounds heavier at weaning than English breeds.

Brangus feeders mean fewer problems for the operator because they are adaptable to climactic extremes and are pest and disease resistant. But most important, Brangus feeders are consistently PROFITABLE. They lay down internal fat early and finish early with enough marbling to grade choice. Brangus calves are preferred—by stockers, feeders, packers, and consumers. If you want PROFIT, you need BRANGUS!

For information about scheduled events, upcoming sales, and sale catalogs, call collect: Lauren Mayhew, Secretary, Texas Brangus Breeders Association, P.O. Box 570, Sealy, Texas 77474. Tel. (713) 885-3364.

A total of 13 new world price records were set with most of the cattle going to breeders in the South and Southeast. Only three lots sold west of the Mississippi River.

The \$5,189 average price in the pre-bred sale was almost double the previous record. As an indication of the depth and quality of the sale offering, the same would have averaged \$3,887.71, well above the previous record, without including the \$68,000 paid for 1/4 interest in the top selling bull.

The continued dominance of Barfield Beefmasters in the market place, combined with the strong showing of Southern and Southeastern buyers, clearly established the Immokalee, Florida breeder as the nation's premier Beefmaster breeder and further established the Southeast as the most dynamic Beefmaster market in the nation. Barfield Farms is owned by the Fred Barfield family and managed by Travis Wise. The record breaking sale was managed by The Cattle Marketing Group and auctioneered by Gerald Bowie.

field Beefmasters in the market place, combined with the strong showing of Southern and Southeastern buyers, clearly established the Immokalee, Florida breeder as the nation's premier Beefmaster breeder and further established the Southeast as the most dynamic Beefmaster market in the nation. Barfield Farms is owned by the Fred Barfield family and managed by Travis Wise. The record breaking sale was managed by The Cattle Marketing Group and auctioneered by Gerald Bowie.

The sale was the industry's first "split schedule" event, with purebred cattle selling in the morning and commercial cattle selling in the afternoon. About 500 people attended the sale which attracted 38 buyers from 7 states.

Leading the parade of individual record-breakers was the great, four year old herd sire, "Crimson Warrior". Bred by Jack Dunn, Alice, Texas, and raised and proven by Barfield Farms, a 1/4 interest in the bull sold for \$66,000 placing his total value at \$88,000, far above the prices received for previous record holders. The bull was bought by

Thompson Brothers Beefmasters, Mandeville, La.; and Gamble Creek Beefmasters, Pahrish, Fla. Barfield Farms retained a one-quarter breeding interest.

Seth Smith, Bear Creek Farms, Franklin, Tenn., established another world record when he bought a tremendous three-in-one package for \$23,000. The package included the cow and baby bull calf by "Big Tom" and her previous calf, a tremendous 11 month old bull by "War Pain" which had a 714 pound adjusted weaning weight.

Bob Grebe, Gamble Creek Ranch, set another world price record when he paid \$7,000 for an open heifer. Another individual world price record was set when Mrs. Ken Kamberg of Coral Gables, Fla., paid \$4,000 for a yearling commercial bull.

Gene Thompson, Thompson's Rocking T Beefmasters, established a world record when he paid \$1,900 for a second cross open Beefmaster female. World records also fell in average prices. The overall purebred average was \$5,189 for 48% lots, almost double the previous record price. New price records were also set for purebred bulls: \$6,010; Three-in-Ones — \$5,196.84; Bred heifers — \$3,887.14; Open heifers — \$2,955.71; and Commercial bulls — \$1,875.92.

The commercial sale was equally impressive as 49 bulls sold for \$90,450 for an average of \$1,815.32. Twenty-one first cross heifers averaged \$336.71 and six second cross heifers averaged \$1,116.67.

Heading the commercial sale was the purchase of the record selling bull by Mrs. Ken Kamberg. Major commercial buyers included Allapattah Properties, Inc., Indianota, Florida, \$18,500; Overstreet Hereford Ranch, Klammer, Florida, \$10,500.

The proceeds from the sale of one commercial bull was donated to the Florida Cattlemen's Association by Barfield. The bull was purchased by R. Roberts, Immokalee, Florida, for \$2,000.

Major buyers at the sale included Gamble Creek Beefmasters, \$50,300; Thompson Brothers, \$39,700; Bear Creek Farms, Seth Smith, \$28,800; Circle R Beefmasters, \$21,900; and Dunkin Farms, Marion Junction, Alabama, \$17,900.

Hardin-Harrill Beefmaster Sale Grosses \$73,075

Greenville, Texas — Buyers from Texas, Oklahoma, Arkansas and Kansas paid a total of \$73,075 for cattle consigned to the Hardin-Harrill Beefmaster sale here Oct. 20.

Pat Gerald of Lone Oak bought the high selling bull consigned by Randy Harrill for \$1200. Kenneth Wolfe of Ellis, Kan. bought the second highest selling bull for \$1175, one consigned by Galen Gates of Ponca City, Okla. Breeding age bulls averaged \$800 in the sale.

Martin Mapes of Dallas paid \$1075 for the top selling pair consigned by B. R. Moreland of Burnet. Moreland also consigned the second high selling pair purchased by Hardin Farms of Waxahachie for \$1,000. Pairs averaged \$775.

Top selling bred cow was consigned by Rocking H Ranch and sold to Circle B Ranch, Plano, for \$1500. Bred cows averaged \$700.

Bred heifers averaged \$600 with the top selling one consigned by Brubaker Creek Beefmasters that sold to Hardin Farms for \$1250; the second high ones, consigned by Harrill, went for \$1000 each to Hardin Farms and are M Beefmasters of Kemp.

Open heifers averaged \$650 with the top selling one consigned by V. W. Carlton, Groveton, going to Kenneth Wolfe for \$1600; and the second high one consigned by Rocking H Ranch, Mesquite, to Circle B Ranch for \$1200. Calves weaned in 1978 averaged \$425.

Volume buyers included Wolfe; Rocking H Ranch; Victor Lewis, Gainesville; Dr. R. M. Machen, Dallas; Charles Galloway, Lone Oak; Hardin Farms; Seary and Waxahachie; Mapes; and R. D. McCallin of Dallas.

A free heifer given as a door prize was won by J. W. Pendleton of Edgeboro.

Federal Subsidies

(CONT. FROM PAGE 1)
link 20 UFW fluid installations in California with UFW headquarters.

He noted that the new CSA grant comes only weeks after UFW got grants of \$805,000 from the Comprehensive Employment and Training Act (CETA) program — a part of which would be used to train UFW microwave technicians.

Grant said it was easy to conceive the total cost of UFW's microwave system as "in the many millions", and he said he wondered where — and at what federal agency — the gravy train would make its next stop. "In an election year when the Carter Administration is holding forth the lure of tax cuts and economies in government, the continuing series of federal grants to UFW are an affront to its credibility," Grant said.

He added that, counting an earlier CSA grant for \$349,000 to build UFW's credit union, 1978 federal grants to the union from CSA and CETA totaled around \$1,784,000.

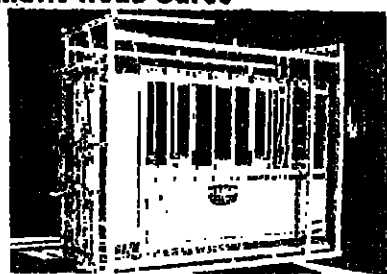

"Mr. Chavez is the first union leader we have heard of," charged Grant, "who had to have federal funds to build

his union." And, he added, "there is evidence that even his facility for recruiting federal dollars grows easier in Washington, his facility for recruiting farm workers grows more difficult in the field."

He said the American Farm Bureau would have a "contending interest" in exploring the sources and circumstances of these grants, and a means to stop them.

FREIGHT PREPAID ON 3 or more panels

4 Foot x 7 1/2 Foot Corral Panel Gates

This handy corral panel gate can be added between any two of your panels to complete your Corral Panel system. The gate is equipped with positive latch that opens easily and closes automatically. Opens in either direction. Lift the latch and swing gate open. Swing it back, and latch will catch automatically. Gate opening is tall enough to permit a horse and rider to pass through. Outside frame is made of same 1-5/8-inch structural steel pipe as panels. The inside gate itself is made of rugged 3/8-inch and 1-1/2-inch structural steel pipe. The pin and socket device used for hooking panels together is also used for hooking the gate to the panels. Weight approximately 85 lbs.

on 3 or more gates or on any quantity when ordered with 3 or more panels.

TABLE OF CAPACITY:

No. of Panels	10	15	20
Capacity in Head	40	70	120

These sturdy panels can be taken right to your pasture, and, in less than 15 minutes, 20 of these rugged panels can be set up by 2 men. A corral this size will handle over 100 head of cattle.

Now the entire outer frame is made of rugged 1-5/8-inch structural steel pipe. All other horizontal rails are made of heavyweight 1-1/8-inch structural steel pipe. Two vertical 1-1/2-inch braces of strong flat iron are welded to pipe rails at every cross-over point. Stronger than most, yet lighter to move.

Every corral panel is fitted with dual pins at one end and double pipe sockets at the other. Makes it easy to set up corral by merely hooking the pins of the second panel into the pipe sockets of the first. Top pin is longer than the bottom one so the panel can be easily lined up, and bottom drops right in. Double pipe socket makes it easy to set up in a Y or T shape. The legs extend approximately 10 inches below bottom rail so the corral will stand on rough or uneven ground. Weight approximately 85 lbs.

ministration is going to make any serious efforts along this line are even more remote than the idea that Bioness will roll prices or that Labor will roll back wages. It just ain't human nature.

The reaction of whoever is involved can be likened to the reaction of the school teachers, city and state employees, and others who enjoy spending our tax dollars for us. It is an accurate picture of what will happen. When Proposition 13 hit you never saw a Brahmer Bull jump any higher when hit by a hot-shot than the School People did. They belled and bawled and recently had a meeting of Educators from all over the country to try and head off similar Tax Revolts and try to figure out how to get around it.

What is really worrisome is the fact

that the Pollsters say that, as of now, a majority of the people want wage and price controls, the mandatory kind. Public memory is notoriously short and this is a good example. If they can't remember President Nixon's mess up when he froze things in 1971 and by the time this set of controls was removed in early 1973 things were in such a mess that the economy slid into the worst Recession since the 1930's and we enjoyed what came to be known as Stagflation. Unemployment soared, profits sank, but in 1973 inflation grew at the rate of 6.2% and in the heart of the Big Recession in 1974, inflation soared by 11%. If folks have forgotten that experience in four short years, we have got a bigger problem than we all like to admit.

The Carter people are all jumping up and down and telling us all that there ain't no way Carter will slap on mandatory controls. That sort to sneer us

good, since their track record is replete with sayin' one thing and then doin' just the opposite. To a man they vow "no controls" and in the next breath they say unless Carter's Phase II works, controls will be next. So figure that out, if you can.

Meanwhile, we figure Inflation Control will turn out to be something like that Big Tax Cut Congress and Carter gave us recently. You may think you are gonna like it, but you better wait until you read the Fine Print.

The Editor.

P. S.: Uncle Dunk notes that no-buddy seems to want that top job in USDA as Deputy Secretary, which John White left to head the Democratic Party set up. An interestin' thing is that the hot prospect for this job is now Lame Duck Congressman Jim Guy Tucker, who was turned out by Arkansas voters when he ran for the Senate.

Page 20 WEEKLY LIVESTOCK REPORTER November 2, 1978

ate. Who is Tucker? Aw, you know, he's Carol Tucker Foreman's brother! And if you think the USDA is a mess now, imagine havin' two Tucker's in top jobs! Dunk notes Secy. Bob Bergland has assured farmers and ranchers that there will be no mandatory price controls and that Carter will make no moves to control prices by increasing foreign imports to beat down U. S. prices. He won't! What happened on beef imports, Bob? — Thassall, Brother!

Last-Ditch Fight

(CONT. FROM PAGE 1)

to increase imports when beef supplies do not justify increases and when more beef could damage the producers price-wise.

The Texas Cattle Feeders Assn. this week urged cattlemen to act and issued this statement:

"We're on the threshold of losing the Beef Import Bill amendments — amendments which would provide counter-cyclical import quotas and limit the President's authority to whimsically lift quotas. The bill is a result of two years' effort by NCA, TCFA and other cattlemen's groups. President Carter now plans to veto it and our last chance is to convince him that it is (A) politically important to a lot of cattlemen and (B) anti-inflationary. Take a few minutes — this morning — to send a mailgram or telegram to: President Jimmy Carter, The White House, Washington, D. C. To send a mailgram or telegram is no trouble: just call a toll free number (800-825-5800 if you live in Texas, or look under Western Union in the phone book if you live elsewhere) and tell the operator you want to send a personal opinion message. The charge is next to nothing: \$2 for 15 words with a telegram; \$2.95 for 100 words with a mailgram. It will be billed to your phone.

"With an all-out effort, the industry succeeded Thursday in getting the Beef Import Bill off the desk of the clerk of the House of Representatives and to the President. The idea was to get the bill to the White House soon enough to force him to set one way or

the other before Nov. 7 election — with the hope political pressure would force him to forego his pledge to veto it. However, it is almost too late now. The President has 10 days (excluding Sundays) to sign or veto the bill, or allow the pocket veto to take effect. If he takes no action, the pocket veto would be effective on Nov. 7 — "too late to affect the elections one way or the other," according to NCA staffers.

"So, unless the President's mind can be changed, the prospects are dim. The President's people continue to oppose the bill — fearing it will be construed as inflationary. NCA argues that not only would the bill increase beef availability for the next few years, it would also serve to stimulate rebuilding of herds — a move that would cut inflation rates about the time Carter is seeking re-election.

"But," says one NCA spokesman, "so far they won't even admit they understand what we're talking about."

Kermco Reel-Tite Exhibit Winner

Monroe, Iowa — Kermco Products celebrated seven years good luck with REEL-TITE fence tighteners recently, having won the award for the "Best Inside Agricultural Exhibit" at the Kansas State Fair at Se-dalla.

Mr. and Mrs. Kermit DeHass of Monroe, manufacturers of REEL-TITE, captured their most recent award during the first show of their fair fair tour. The REEL-TITE exhibit was judged on visual display, demonstration and information.

REEL-TITE are small metal tighteners that take the slack out of wire fence without unstapling and restretching. They can be used on any fence wire — high or soft tensile, smooth or barbed, new or old and any type. Twenty to 30 rods of four wire fence can be tightened in less than five minutes.

The DeHass visit approximately 25 shows per year, demonstrating their product at beef expos, state fairs, farm shows and other cattle related shows. The REEL-TITE manufacturers have won several similar awards since production began in 1971. REEL-TITE are sold primarily to livestock producers and those concerned with fence maintenance and repair.

For more information, write: Kermco Products, R. R. No. 1, Box 204, Monroe, Iowa 50170; or call, 515-255-2987.

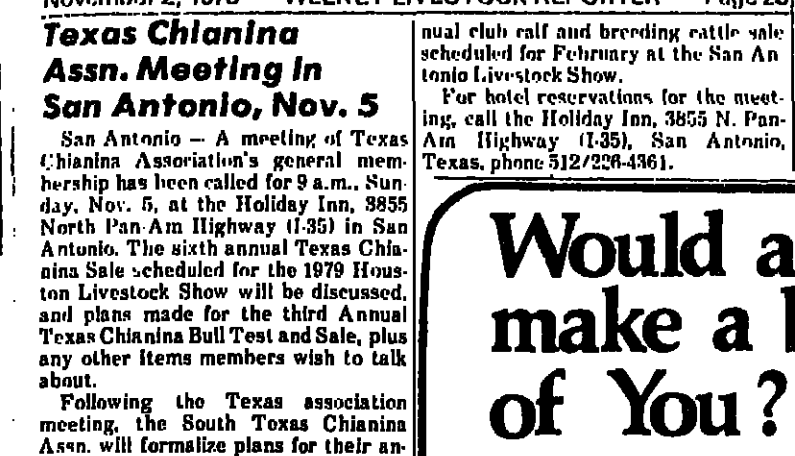

Crossbred champions in the sixth special "Top Dollar" Stocker-Feeder calf sale for 1978 at Fort Worth Stockyards are pictured here. The champion steers, top left, consigned by H. D. Rio Vista Sales Averaged \$7,100

San Antonio — A large and enthusiastic crowd of buyers from Canada to Mexico and from Hawaii to Virginia made the Eighth Annual Rio Vista Production Sale one of their most successful.

The October 21, 1978 sale held in San Antonio had 72 1/2 lots gross \$515,400 for an average of \$7,100. The sale offering included 41 1/2 Rio Vista lots and 31 premium winners from the Second Annual Rio Vista Futurity held the previous day. The 41 1/2 Rio Vista lots grossed \$318,550, to average \$7,700. The top selling lot of the sale was the one-half interest in Mary Hartman, one of the prestigious Rio Vista "Leading Ladies", selling to George Klean of Prestige Simmentals, Franklin, Nebraska, on a bid of \$50,000.

Mr. Dick Willard of Blasing Tree Simmentals, Ellensburg, Washington, purchased the top selling female, a Polaris fullblood polled heifer calf out of the famous Teresa D11 cow for \$38,000. A polled Polaris bull calf, the full brother to the top selling polled heifer, sold to Don R. Bishop of Palestine, Texas, on a top bid of \$15,000.

A crowd of over 700 Simmental breeders were present at the sale conducted by four of America's finest auctioneers: Colonel Bert Reyes, Merrill Anderson, Bill Lefty and Curt Rodgers.

Canadian Will Address Wheat Producers Meetings

The Honorable Hazen Argue, Member of the Canadian Parliament, only hours after being re-elected Chairman of the Senate Agriculture Committee yesterday in Ottawa, notified the Texas Wheat Producers Association that he is accepting the wheat farmers invitation to address their annual meeting and to jointly explore ways to strengthen world wheat prices to profitable levels in both countries, according to Bill Nelson, TWPA Executive Vice President.

The session is scheduled November 30 in the auditorium of the Vernon Regional Junior College. Argue will address the annual convention of the Oklahoma Wheat Growers Association meeting in Oklahoma City December 1 after his Texas session.

Texas oil men drilled 14,756 wells in 1977, including 450 test, and service wells; 81.8% of U.S. drilling.

New Animal Health Book Available

St. Louis, Mo. — Doane Agricultural Service, Inc., has just published a 484 page book titled *The Tucks of Animal Health*. The book is signed as a working manual for livestock and ranchers who are concerned with prevention, diagnosis and treatment of health problems in beef and dairy cattle, hogs and horses.

Subject matter includes health fundamentals, sanitation, handling and restraint, animal drugs, disease symptoms, treatment procedures, parasites and poisoning, nutrition, routine health problems, reproduction and birth defects, herd health management.

The book is written in an easy-to-read manner and contains numerous examples, drawings and photographs to help the reader put key health practices into practice.

It is co-authored by Dr. James H. Ly, well known agricultural consultant and writer, and Dr. Dwight Kline, experienced livestock manager and practicing veterinarian.

The *Brass Tucks of Animal Health* is available at \$17.95 per copy from Doane Agricultural Service, Inc., Manchester Road, St. Louis, Missouri 63144.

Replacement Cattle Sharply Lower In Trade Last Week, Beef Shaky

St. Joseph, Oct. 27 (USDA) — National feeder cattle receipts 276,000 this week, 315,700 last week and 802,000 a year ago. Prices for feeder cattle and calves worked substantially lower over the vast majority of the nation this week. Continued pressure on prices for slaughter steers and heifers figured to be one of the major reasons creating a bearish atmosphere in the feeder market.

Dry weather over much of the wheat pasture producing areas provided an other factor working as a depressant at the market place. Prices generally ran steady to 2.00 lower, some 3.00 off.

Steer calves in Dodge City worked 5.00-5.00 lower and 2.00-4.00 lower, instances 7.00-8.00 off in Arkansas. St. Paul moved cattle weak to 5.00 lower. In the southeast, steers worked steady to 5.00 lower and heifers anywhere from 1.00 to as much as 5.00 lower. On the other hand, West Fargo jumped steady to 1.00 higher while Springfield, Mo., was 1.00-2.00 higher on steers.

In the mountain states, calves held

near steady with Whomping posting as much as 4.00 gains while yearling feeders suffered steady to 2.00 lower. Yearlings on the West Coast sold steady to 2.50 lower while calves were steady to 1.00 lower in California but late sales 3.00-6.00 off in Washington and Oregon.

C.O.B.A. Sets A.I. Training Courses Throughout Texas

Tyler, Texas — C.O.B.A. Select Sires has announced a series of A.I. and Palpatation Training Courses to be held in the last six months of 1978. Enrollment in the training courses will be limited.

Public Grazing Bill Signed Into Law

Washington — President Carter signed into law the first major revision of the public grazing laws since 1934. The Public Rangelands Improvement Act (H.R. 10587) establishes a method for determining the fees charged ranchers for grazing livestock on the public lands and authorizes \$365 million over 20 years to improve the productivity of the public range for all multiple uses. The new law also orders the Bureau of Land Management to reduce overpopulations of wild horses and burros on these lands.

The new grazing fee formula would, for a 7-year trial period, reduce charges when beef prices are low and increase them when beef prices go up. The National Cattlemen's Assn., Public Lands Council and the National Wool Growers Assn. fought for the flexible fees as a means of helping ranchers "stay in business" in profitless years and as a more equitable way of measuring the value of the forage being sold.

The White House earlier had expressed concern over the grazing fee formula, but Administration witnesses admitted in the final stages of the legislation in Congress that the formula could bring in as much revenue over a typical cattle cycle period as the present system would.

Barber Ranch Bulls Average \$1,534

Barber Ranch, Channing, Tex., sold 58 bulls in their annual bull sale, Oct. 27, for an average of \$1,534, with the top 10 lots averaging \$4075. Cattle sold into 7 states, with the top bull selling for \$6,000 to Perry Bolin, Mo.; Tex. 'Lowell' Hatcher, Vinola, Okla., bought the second top for \$6,000. Third high-seller was purchased by Larry Lundgren, Cove, Kan., for \$5,600, Tyler, Texas 75701, 214/693-4243 or Gene Lowe, 214/599-2454 or Jimmie Travis, 817/594-0422.

Guest consignors, B&C Cattle Co., Miami, Tex., sold 17 heifer calves for an average of \$1,046, with the top going to Ira Lee, Axtell, Tex., at \$2,000.

The majority of the sale offering was sired by Super ROM HH Advance C786 "Hatchet", co-owned by Barber and B&C.

Youngblood Hereford Sale Averages \$815

Lamesa, Texas — Alton, Arlan and Kent Youngblood hosted Youngblood Hereford's highly successful fourth annual Hereford production sale Oct. 4 to an average of \$815 on 74 bulls and 856 on 24 registered bred heifers.

Woodward Ranch at Graham paid the top price of \$1,750 for the bull A.Y. Sam Donald 3248. Woodward also bought two of the other top selling bulls for prices of \$1,500 and \$1,600 each.

T. L. Briffin of Big Spring paid high money of \$1,600 for the other top selling bull, and \$1,500 each for two other bulls.

Nick Anderson of Gail topped the females purchasing A.Y. Lady Misch \$182 for \$1,175. He also purchased the other top selling females by paying \$1,000 for one and \$975 for the other.

H. C. Mercer, owner of the Circle Day Ranch at Ennis, was top volume buyer, taking 11 bulls for a total of \$9,680 for an average of \$789, and 14 female lots for \$11,880 for an average of \$849.

Other volume buyers included Mer. Santa Land & Cattle Co. at Ennis, N.M., with eight bulls for \$7,950 for an average of \$996; H&B Cattle Co., Monahans, one bull and five females for \$7,890; Bill Carilla of Fort. four bulls; and the Driver Cattle Co., Big Spring, four lots.

Almost As Big As Mama

Santa Gertrudis Cross...Cow/Calf, The Breed For More Reasons

Reason ... Calving ease, increased calf crops.
Reason ... Hybrid vigor, disease and pest resistant, adaptable to any climate.

Reason ... Calves wean heavier, gain rapidly on any forage, anywhere for top yearling weights.
Reason ... Long reproductive life, brings more dollars when sold.

Calves almost as big as Mama mean more money in your jeans at sale time. What more reasons do you need to go Santa Gertrudis?

VOID CHANGING WELL LEANERS
FOR MANY YEARS
Perma-cups are treated urethane,
more wear resistant than nylon.
Perma-cups will outlast leathers 10
to 1. Their tapered design allows only
1/8" wearing, instead of 5/8" of a lea-
ther. Much less friction for easier
pumping extends cylinder life greatly.
Perma-cups must be used in a good
new cylinder, as they do not swell.
Install Urethane Perma-cups, Ure-
thane Check-balls, and Urethane
Pump Rod-guides, and don't pull
that well for many years. Thousands
are in wells that have not been al-
tered in 9 years! All are available in
standard cylinder and pipe sizes. Write
or call for our catalog. We ship same
day order is received. This is our 28th
year serving ranchers.

"THIS IS NO BULL"
Viriden Perma-Bilt Engineering depart-
ment is now offering 1 7/8" x 30"
windmill cylinder barrels, with caps,
at 1/4 the price they are selling for
now! These barrels and caps are made
from thick heavy wall PVC and then
lined with 1/8" of our steel hard epoxy.
These barrels are as good as any brass
barrel on the market. The steel hard
epoxy lining assures long life and true-
check strokes. Our 1 7/8" x 30" Barrel
sells for \$18.95!! It connects right to
your 2" pipe (steel or PVC). These
epoxy lined barrels are doing a won-
derful job right now. Send for infor-
mation.

San Angelo, Texas — The Otis Deal Angus Bull Sale will be held Thursday, November 9, 1978. Sale time is 1:00 p.m. at Producers Livestock Auction Company at San Angelo, Texas.

Selling are 40 serviceable age Angus bulls, 18 to 30 months old. The sale offering is fertility and bangs tested and aired mostly by sons of "Big John" (Marshall Pride 4), Eston of Wildwillow 4, and Bar Hart Winton.

Palo Pinto Simmental Breeders Set Bull Sale For November 10

Eastland, Texas — The Palo Pinto Simmental Breeders Association Bull Sale will be held Friday, November 10, 1978. The sale will be held at the Eastland Livestock Auction at Eastland, Texas.

Selling will be 60 breeding age Simmental Bulls including 3/4 bloods, 7/8 bloods and 15/16 blood.

Auctioneer will be Ray Sims. For information contact Otis Deal, Eldorado, Texas, 915/853-2448.

Spur "Performance Sale" Sets Pace

Spur Ranch's annual bull sale is considered a yardstick for the Angus breed each year. The results of this year's "Performance Sale" provided optimism for the breed as 73 Angus bulls in the sale averaged a strong \$1,411.

The "Performance Sale", held at the ranch near Vinita, Oklahoma, grossed almost \$200,000 on the 216 lots of Angus and Angus-cross cattle. Buyers from seven states including South Dakota and Ohio bid on the bulls from the outstanding Spur Ranch herd. An enthusiastic crowd of over 350 filled the ranch sale barn.

The high selling bull, a son of Spur Emulous Master 50, out of a grand-daughter of Emulous Bob of K. Pride, went to Merle Hubbard of Eastland, Texas and Carlton Corbin of Pittsburg, Oklahoma for \$3,000. Bill Barnett paid \$2,800 for one of the four Oklahoma State University bulls in the sale. Twenty-three Angus-cross bulls averaged \$1,141 with the top one going to C. E. Harmon of Dustin, Oklahoma. Ten club calves averaged \$677 and 110 commercial bred Angus heifers averaged a good \$661.

Volume buyers in the sale were Wayland Smith, Pawhuska, Oklahoma, with 13 lots and Fred A. Drummond, also of Pawhuska, with 12 lots. Other buyers at the "Performance Sale" were Runnicks M Ranch, Sedan, Kansas; R. G. Wilman, Newport, Arkansas; Andrew Handke, Verdon, Oklahoma; Phil Adams, Eureka, Kansas; and Sherman Childs, Pryor, Oklahoma. Also, Coble Brothers, Howard, Kansas; Ray and Jim Perkins, also of Howard; Rafter D Corporation, Romney, Oklahoma; Larry Reeves, Dexter, Kansas; Keith Smith, Atiles, Kansas and Victor Ranch, Afton, Oklahoma; and S. R. Holt and Son, Stigler, Oklahoma. Auctioneers were Ray Sims and Sonny Booth.

Rocky Canyon Ranch Simmentals Avg. \$757

Mannford, Okla. — Mr. and Mrs. Frank Cochran's Rocky Canyon Ranch's complete Simmental dispersion with guest consignments from Karstetter Cattle Country at Cushing, Okla., Oct. 12, grossed \$106,170 on 139 lots for an average of \$767. The sale was managed by National Cattle Services, Elgin, Okla.

The sale was topped by a three-quarter cow that was purchased by Gene Patrick of Harrison, Ark., for \$950, and her seven-eighths heifer calf split off to Charles Holder, Harrison, Ark., for \$1,400, making the pair gross \$2,350. A purebred cow sold to Jim Adkins, Sperry, Okla., for \$925 and her bull calf for \$1,000 to B&W Cattle Co., Cushing, Okla.

Circle L Ranch of San Saba, Texas, bought a purchased cow for \$1,000, then purchased her heifer calf for \$850, totaling \$1,850.

Gifford Hill of Stroud, Okla., bought the sale's highest priced bull, a purebred son of Scottish Noff, for \$1,750. Volume buyers were Alma Boxworth of Wellston; JJ Bar Ranch, Muskogee; Johnson Farm, Kremlin; Canadian View Ranch, Hydro; Lones Cook, Stillwater; Kenneth Duncan, Sparks; and Sharvert Ranch, Konawa, all in Oklahoma; and Flying S Simmental Ranch in Texas.

Graham's 77 Angus Bull Sale Nov. 20 Near Wichita Falls

Wichita Falls, Texas — George W. Graham, owner, will host his Seventy Seven Ranch's 18th annual performance tested Angus bull sale at the ranch near here beginning at 12 noon CST on Monday, Nov. 20.

Selling will be 110 big, rugged two-year-old and coming two-year-old Angus bulls that are ready for heavy service. The bulls are selected from the largest Postlemer-Marshall bred Angus herd in the world.

"For more than 24 years we have been developing this cow herd of more than 600 cows. Every cow has been selected because of outstanding weaning weight and performance, and sired by top performing bulls we have produced or purchased. Only these top producers are a part of the 77 Ranch herd today, and the bulls in this sale are from these top producers," Graham said.

Featured in the sale are sons of "Big George," Edictors Black Gold 68, a Certified Meat Sire that has weighed 2600 pounds; sons and grandsons of Chloeman 18 of 77; sons of Postlemer 290 of 77; sons

Greasy Spoon on Wheels — Amtrak

If you ride Amtrak trains you already know you're better off than bagging it than taking your chances the dining car, but help is on the way.

The October issue of PREVENTION reports that after more than 100,000 of warning, the FDA has cracked down and demanded that the national railroad system implement a program to assure that the food and water serves are sanitary. The letters came back to 1974 and have chastised Amtrak for unclean utensils, inadequate refrigeration, insects and rodents in food storage areas and dirty food preparation and cleaning equipment.

\$6,500 for the high selling bull and \$1,700 for the high selling female. JDH Arc Biah Manso topped the high selling female.

Derrick also captured volume honors with five head for \$12,476. Watson-Blackwell Cattle Sales, El Paso, TX, were managers for the sale and the Hamilton of Louisiana was the auctioneer.

Claud Willett ROM Hereford Show Had Strong Competition

A many times grand champion hereford, the grand champion female award at the \$10,000 Register of Merit Hereford show during the Tulsa State Fair. The winner, O&S Miss Arthur B41, owned by the Friedman family's Lone Star Hereford Ranch, Henrietta, Tex., was earlier the spring yearling class winner. The show honored the soon-to-be retiring Claud Willett, American Hereford Association and Journal field representative. Tulsa, Oct. 6 — Register of Merit Hereford activities at the Tulsa State Fair honored Claud Willett, American Hereford Association and American Hereford Journal fieldman in Oklahoma for the past 12 years.

Breeders and friends from several states gathered in large numbers to pay tribute to a special banquet to Willett. He was also presented a new pickup truck in honor of his long and faithful service to the Hereford industry by Oklahoma Hereford breeders. Willett, a native and resident of Greenfield, Mo., will retire effective December 31, 1978.

In addition to the festivities honoring Willett, the ROM Hereford competition found a strong show represented by breeders from nine states and Canada competing for \$10,000 in prize money.

The bull show found a number of bulls with an impressive string of wins at different shows meeting head-on for the first time this season. James Bright of LeGrand, Calif., made the placings and selected as his grand champion bull B&C L1 Adv Don 310, a spring yearling bull owned by B&C Cattle Co., Miami, Tex., and Adams Bros. and Co., Kilgore, Neb. Indian Mound Farm, New Harmony, Ind., claimed the reserve grand champion bull award on their second-place spring yearling entry, Advance 4049 Chief.

In the female competition, a several times champion this show season captured the grand champion award. Owned by the Friedman family and shown under the banner of their Lone Star Hereford Ranch at Henrietta, Texas, O&S Miss Arthur B41 won the top award. The reserve grand champion female award went to M&M Miss Misch 2777, owned by M&M Hereford Ranch, Hermosa, So. Dak.

Calf champion of the bull division was Commander, exhibited by Indian Mound Farm. In the calf division of the female show, Mary McDonnell, Willall, Mont., claimed the purple on MJB Miss Advance 778.

New Angus Program Offers Quality Beef To Nation's Consumers

A program designed to provide consumers with high quality, tasty, tender beef every time they shop was launched in Columbus, Ohio, October 18 by the American Angus Association and Renzetti's IGA Food Markets.

Angus beef, certified to meet rigid quality standards and to be produced only from Angus cattle, went on sale for the first time nationally in the two Renzetti's IGA Food Markets and the first day it accounted for over 50% of the two stores' regular beef sales, according to manager Bob Renzetti. "We are very happy with the early results," said Renzetti. "Our meat manager now thinks that we can devote two meat cases to Certified Angus beef instead of the one case as originally planned."

"This is the beginning of a national Certified Angus Beef program that will be offered to packers and retailers throughout the country," said Dr. C. K. Allen, executive secretary of the 40,000 member American Angus Association with headquarters in St. Joseph, Missouri. "This marks the first time in the history of U. S. beef production that a breed association has helped identify and market its cattle to the beef consumer."

We are confident that the program can take most of the guesswork out of beef buying for the consumer and help assure the shopper of consistent high quality beef and eating satisfaction. Texas Limousin To Start New Bull Test in December

The Texas Limousin Assn. board of directors voted to hold another bull test and follow it with a bull sale in a meeting at Dallas during the State Fair of Texas.

There will be no color restrictions on the bulls to be tested. At least 50 bulls are needed for the test, and prospective consignors have been asked to mail entry cards to Willard Pfleger, Pflegerville, president of TLA, by Nov. 5.

Pfleger said the bulls need to go on feed between Dec. 1 and Dec. 22, so that they can complete the test in time for a sale next April.

Bulls born between Sept. 1, 1977 and Feb. 1, 1978 may be put in the test. The entry forms should be sent to Willard Pfleger, Texas Limousin Association, Box 807, Pflegerville, Texas 75860.
